

EASY AS 1, 2, 3!

Harmar's Inside Lifts come standard with many useful features and provide robust heavy-duty lifting capacities for today's heavier scooters and power chairs. Harmar offers a solution for virtually every chair and vehicle on the market. The Universal design of the AL400 Series and the AL800 allows installation into either side of most vehicles.

STEP 1.

Attach the lifting strap to the power-chair or scooter.

STEP 2.

Raise and swing into the vehicle.

STEP 3.

Close the hatch and go!

* Typical AL400 Series application.

Harmar Mobility produces lift and ramp products that enhance people's mobility, independence and quality of life. Products include Inside, Outside and Hybrid Auto Lifts, along with Single-fold and Multi-fold Portable Ramps.

HYBRID LIFT SYSTEMS

Hybrid Lifts provide the ultimate in convenience and simplicity of use by combining the best of both inside and outside lifts into unique solutions.

OUTSIDE LIFT SYSTEMS

Harmar is the leader and benchmark all others look to for ease of use, quality and performance. Models capable of fitting Class I, II or III hitches.

MICRO LIFT SYSTEMS

Designed to combine quality with budget, these user-friendly models feature manual, powered or combination capabilities.

ACCESS RAMP SYSTEMS

Designed for ease of use at home or while traveling. These commercial quality ramps are built to access vehicles, landings and other unkind elevation changes.

INTRODUCING ...

America's Leader in Lifts & Ramps

Harmar Mobility designs, engineers and produces American made lift and ramp products that enhance people's mobility, independence and quality of life. Our products include a complete line of Auto Lifts and Access Ramps.

Harmar Mobility products are available exclusively through a nationwide network of authorized dealers. Customers receive care from the nation's top mobility dealers. Harmar's dealers will assist in determining the best product to fit your needs and budget. It is imperative to have an authorized Harmar dealer demonstrate, install and service your Harmar lift.

Harmar's lifts and ramps are designed and built with the "Harmar difference" - they are simpler, stronger, lighter and easier to use.
